¹ The Trust's taxable income for the year ended 30 June 2009 was 18.52 CPU, which is greater than its cash distribution of 9.00 CPU. Since Unitholders were entitled to receive (as their distribution) a share of the Trust's distributable income, Unitholders are required to include a share of the Trust's net income (taxable income) in their tax return.

² The half year distribution for the year ended 30 June 2011 of 2.25 CPU was based on the number of securities on issue as at 31 December 2010 (i.e. before the 10:1 security consolidation completed on 19 January 2011).

This information is not relevant to non-resident securityholders for the purposes of completing their income tax returns.
